

**Do you have troublesome diarrhoea
and abdominal pain?**

**Have you been diagnosed with
irritable bowel syndrome (IBS)?**

**We are looking for adults to take part in a trial of a
new treatment for IBS-D (TRITON study)**

The trial will involve:

- Taking a new medication for 12 weeks
- Recording symptoms daily
- 6 visits at a local hospital
- Optional additional tests looking at bowel sensitivity and contractions

If you are interested, please get in touch:
